

Walk to End ALS **Kitchener/Waterloo**, Event Date: June 2022 In-Person (exact date to be confirmed)

Volunteer Social Media Coordinator - One Year Term November 2021

We are looking for a volunteer Social Media Coordinator, to join ALS Canada's Walk Committee Kitchener/Waterloo. Our event is more than a fundraiser; it's an opportunity to come together and connect to build a community of ALS supporters. As the Social Media Coordinator, you will be a vital member of the Walk Committee and manage our local social media page(s) promoting the event to inspire community participation, registration and fundraising. Working together with ALS Canada staff and volunteers, you will support the overall execution of the event. This is an exciting time to be a part of our 2022 Walk to End ALS team!

Walk to End ALS

The Walk to End ALS is the largest volunteer-led fundraiser for ALS Societies across Canada. It is fun, family friendly, and a meaningful way to be a part of our work & hope for a future without ALS. Together we honour those we have loved and lost, and we show support for the 3,000 Canadians and their families living with the disease. Fundraising efforts and donations from the Walk provide for the best ALS research in the country and enable ALS Societies to provide community-based support to people with ALS & their families. Join us in this critical work and help us reach our

What You Will Be A Part Of

A charitable organization that lives its values of **accountability, collaboration, compassion, integrity, resiliency** and **respect**, ALS Society of Canada works with the ALS community to improve the lives of people affected by amyotrophic lateral sclerosis through support, advocacy and investment in research for a future without ALS. Fully funded by donors, we were fortunate to benefit from the generosity of Canadians during the Ice Bucket Challenge of 2014, and are now focused on implementing our 2018 to 2023 strategic plan in support of the following long-term impacts: people affected by ALS receive the best possible standard of care; more treatments are available to improve quality of life and extend lifespan; and people are empowered to make informed decisions about ALS.

Our world is challenging. The people we serve are dealing with a devastating illness. But in the midst of it, their resiliency and spirit is remarkable and moving. By joining us you will be an important part of a very special community that inspires and touches one another's lives in our united vision to end ALS.
