Together we honour those we have loved and lost, and we show support for the 3,000 Canadians and their families living with the disease. What You Will Be A Part Of

A charitable organization that lives its values of **accountability, collaboration, compassion, integrity, resiliency** and **respect**, ALS Society of Canada works with the ALS community to improve the lives of people affected by amyotrophic lateral sclerosis through support, advocacy and investment in research for a future without ALS. Fully funded by donors, we were fortunate to benefit from the generosity of Canadians during the Ice Bucket Challenge of 2014, and are now focused on implementing our 2018 to 2023 strategic plan in support of the following long-term impacts: people affected by ALS receive the best possible standard of care; more treatments are available to improve quality of life and extend lifespan; and people are empowered to make informed decisions about ALS.

Our world is challenging. The people we serve are dealing with a devastating illness. But in the midst of it, their resiliency and spirit is remarkable and moving. By joining us you will be an important part of a very special community that inspires and touches one another's lives in our united vision to end ALS.
